## GALLERY CAFE

We began in 1995 making cakes, soups and sandwiches using the finest ingredients offering fresh, simple and honest food. Since then our Café and menu has grown but we still work using the same principles serving delicious food made from the best ingredients and treating them with the respect they deserve. We change our menu regularly to take full advantage of the seasons' produce, offering globally inspired dishes that are full of flavour. Our Italian-style coffee and fine loose leaf teas are supplied by leading traders in the market and our wines come from a specialist wine merchant offering unique and interesting discoveries. Our lunches are all made to order and during busy periods your patience is greatly appreciated. Items on the counter are available to take-away and we also offer a special order service, from a single cake to a delicious dinner party menu. We hope you enjoy the food that we love!
